Rashmeen kaur

has successfully completed the online, non-credit Specialization

Health Informatics

In this Specialization, learners explored the social and technical context
of health informatics problems, discovered how to successfully
implement health informatics interventions, designed a health
informatics solution for decision support, and answered a health
informatics problem through data retrieval and analysis.

Harold Lehmann, M.D.,
Ph.D.
Ashwini Davison, M.D.
Hadi Kharrazi, M.D.,
Ph.D.
Paul Nagy, Ph.D.
Sam Meiselman
